

Terms and Conditions

By accessing or using this web site currently located at www.BachelorPartyPortal.com (the "Site", "BachelorPartyPortal.com", "We", or "Us", as appropriate), the user of this Site and any individual or entity on whose behalf a user accesses or uses the Site (collectively, "You" or "Your," as appropriate) agree to be bound by the following Terms and Conditions and to our Privacy Policy. Please read both documents carefully and often as they are subject to change. Your continued use of the Site after the posting of changes to these Terms and Conditions constitutes acceptance of the changes. If You do not agree to these Terms and Conditions, do not use the Site.

If you are an individual under 13 years of age, please do not fill out any Submission Forms, send us an E-Mail message and/or use any service on our Site which will require you to provide personal information (User Data), without your parent or legal guardian sending us a signed permission form.

To explain further, if you are under the age of 13 and you access a service on our site which requires you to enter personal information such as your name, home address, telephone number, e-mail address, web site address, interests, hobbies, and any other requests for information that may allow someone to identify or contact you, PLEASE DO NOT USE THIS SERVICE OR SUBMIT ANY INFORMATION.

Privacy BachelorPartyPortal.com respects the privacy of our users. Please take a few minutes to review our privacy policy.

General Disclaimer The material that appears on the Site is for informational purposes only. Despite our efforts to provide useful and accurate information, errors may appear from time to time. Before You act on information You've found on our Site, You should confirm any facts that are important to Your decision. BachelorPartyPortal.com is not responsible for, and cannot guarantee the performance of, goods and services provided by our advertisers, by others to whose sites we link, or users who post a classified or an auction item.

Forums, Photo Albums And Other Public Posting Area BachelorPartyPortal.com encourages an open exchange of information and ideas. But we cannot and do not review postings made in the public posting areas before they are posted. Anybody may obtain the right to post on BachelorPartyPortal.com merely by registering and providing an email address, and while BachelorPartyPortal.com takes measures to deny access to people who have posted objectionable material in the past, these measures are quite easily circumvented by any person intent on posting objectionable material. You may well read or view any given posting or photo before anyone on the BachelorPartyPortal.com staff does. You may see material that is defamatory, abusive, obscene, offensive, threatening, illegal, or inappropriate for children, before we have seen it and have had the opportunity to remove it. For this reason, if you are a parent, you should carefully monitor your children's access to the Site. If you do encounter material that you believe falls into one of these categories, we urge you to report it to us so that we may remove it. But We may not be able to remove it as promptly as You think we should. You can expect the Site to include information and opinions from a variety of individuals and organizations other than BachelorPartyPortal.com. It is easy for people to pose as experts in the public posting areas without having any expertise whatsoever. We do not endorse or guarantee the accuracy of any posting, regardless of whether the posting comes from a user, from a celebrity or "expert" guest, or from a member of our staff. There is no substitute for healthy skepticism and Your own good judgment.

Responsibility for what is posted in the forums, photo albums and other public posting areas on the Site lies with each user - You alone are responsible for material You post. You agree not to post or transmit any defamatory, abusive, obscene, threatening or illegal material, or any other material that infringes on the ability of others to enjoy the Site or that infringes on the rights of others. You agree to conform to Site polices and guidelines concerning the size, length, format, subject, content, or relevancy of the materials You submit.

Although BachelorPartyPortal.com cannot monitor all the postings in the forums, photo albums and other public areas, we reserve the right (but assume no obligation) to delete, move, or edit any postings that come to our attention that we consider unacceptable or inappropriate, or for any other other reasons, which we need not disclose, and which need not be reasonable. We will not, in the ordinary course of business, review private electronic messages that are not addressed to BachelorPartyPortal.com. However, we will comply with the requirements of the law regarding disclosure of such messages to others, including law enforcement agencies.

Access We retain the right to deny access to anyone who we believe has violated the term of this agreement, or to anyone else for any reasons, which we need not disclose, or for no reason.

Intellectual Property Rights You will not use the Site to violate anyone's copyright, trademark, intellectual property rights,

or privacy rights. The content which you submit must be Your work in its entirety. You may not submit content which is an amalgam of the works of several persons, even if You are among those persons, even if You are the principal creator, or even if the other authors have given You permission to use their work as part of the collective work. By submitting material to the Site, You are representing that You are the sole author of the content in its entirety, that You have the right to submit the material, and in the case of photos that you have obtained any model releases that may be required.

Notwithstanding the foregoing, you may include brief quotations and thumbnail images in your submissions that are permitted under the copyright laws as "fair use", provided you correctly attribute these to their authors.

Submitting material that is the property of another, without the consent of its owner, is not only a violation of this agreement, but may also subject You to legal liability for infringement of copyright, trademark, or other intellectual property rights.

If material in which you hold intellectual property rights, which infringes your privacy, or which is defamatory is unlawfully submitted to BachelorPartyPortal.com by a third party, please inform us immediately and we will remove it. Notifications concerning copyright infringements should be sent to our DMCA Agent. To gain time, you may also send email to us; however, this is not a reliable form of communication and we may not read your email message.

Ownership of Submitted Material Submission of material to any BachelorPartyPortal.com forums or photo album systems does not transfer the copyright to that material to BachelorPartyPortal.com. However, by submitting the material, You grant BachelorPartyPortal.com and its successors or assigns a perpetual non-exclusive world-wide royalty-free license to publish that material on the World Wide Web as part of the BachelorPartyPortal.com web site for the purpose of operating, displaying, distributing and promoting the Site. If You object to any modification by BachelorPartyPortal.com of Your materials (except for minor edits), or, in the case of forum postings, comments on photos, or comment on the Site's static content, to the use of Your materials separate from their original context, BachelorPartyPortal.com will either restore the original text and context, or delete the materials.

Many of the posting areas of the site, including the Album, provide You with the ability to delete or edit your posts later. Your grant of license to BachelorPartyPortal.com for the use of your material is not conditioned on these editing/deleting features being maintained as they were when you submitted the material, and BachelorPartyPortal.com reserves the right to alter or eliminate these features, or to transfer or replicate your submissions to areas of the site where the editing/deleting/archiving features are not the same as the area to which you originally submitted the material, or to use the material in a site feature, from which you may not be able to delete it.

You also grant to BachelorPartyPortal.com users the right to make a temporary copy of your material in the course of viewing or reading it with a standard Web browser, and to operators of search engines, for the purpose of indexing it.

No Spamming/Email Address Harvesting

From time to time, users post their email addresses in our forums, and other public posting areas, and the site makes available the email addresses of members to other logged-in members. You agree not to gather these email addresses for purposes of spamming or for any non-personal or commercial purposes.

Permitted Usage of the Site The BachelorPartyPortal.com site comprises text, images, and other information (the "content"), and Hypertext Markup Language (HTML), Extended Markup Language (XML), PHP: Hypertext Preprocessor (PHP), Cascading Style Sheets (CSS), Javascript, and other coded display and formatting specifications ("the code"). We grant you permission, which we may revoke, to connect a conventional HTML browser or RSS Reader to our servers and to cause our servers to transmit the content to you, but solely for the purpose of personally viewing the content on a computer monitor or screen. As a condition of being granted this permission, you agree to display the content, without modification, as specified by the code. In particular, if you retrieve the content and cause any part of an HTML page from the site to be displayed, you must display the page in its entirety, without removing, blocking, filtering, suppressing, or modifying any features of the content, including advertising. In order for you to comply with these conditions on your usage of the site, it may be necessary for you to switch off ad-blocking systems when accessing the site. You are not relieved of your obligation to fulfill this condition by virtue of the fact that the blocking, filtering, or modification of the site content is done by third-parties used by you, such an ISP, even if the only way for you to prevent them from doing so is by not accessing the site at all.

Prohibited Usage of the Site The content and materials available through the Site are the property of BachelorPartyPortal.com or its licensors (the users), and most of the materials are protected by copyright, trademark and other intellectual property laws. Furthermore, BachelorPartyPortal.com has expended its resources to gather these

materials and to publish them or to make them available to its users. You agree not to reproduce or distribute, or cause to be reproduced or distributed, any material that you retrieved from the Site, without the express prior permission of both BachelorPartyPortal.com and, in the case of copyrighted materials, the copyright owner, except for such reproduction as occurs in the normal course of reading or viewing the materials using a Web browser. Requests for permission to reproduce or distribute materials retrieved from the the Site should be sent both to BachelorPartyPortal.com and the original author of those materials. You acknowledge that BachelorPartyPortal.com and the copyright holders will be significantly damaged by Your violation of this section in a manner that would require immediate injunctive relief. You are not relieved of your duties under this section because material was posted anonymously or under a pseudonym, because you cannot locate the copyright holder, because the materials are in the public domain, because the materials are available on any other web site or in some other form, or because you have the permission of either the copyright holder or BachelorPartyPortal.com, but not both.

Robots, Spiders, Offline Readers, etc This site is provided for your personal use. You agree not to use or launch any automated system, including without limitation "robots", "spiders", "offline readers", etc, that accesses the site in a manner which sends more request messages to the BachelorPartyPortal.com server in any given period of time than a typical human would normally produce in the same period by using a conventional on-line Web browser to read, view, and submit materials.

Search Engines Notwithstanding other terms of this agreement, we grant to the operators of search engines permission to use robots to copy materials from the site for the sole purpose of creating publicly-available searchable indexes of the materials, but not caches or archives of the materials. We reserve the right to revoke these exceptions either generally or in specific cases.

Links To Third Party Sites The Site contains links to third party web sites ("Third Party Sites"). Because BachelorPartyPortal.com has no control over Third Party Sites, BachelorPartyPortal.com does not endorse, has not reviewed and is not responsible for the availability of Third Party Sites. You acknowledge that use of Third Party Sites is at Your own risk and that BachelorPartyPortal.com is not responsible or liable, directly or indirectly, for any damage or loss You incur in connection with products or services available on Third Party Sites, nor for the accuracy, copyright compliance, legality, decency or other aspect of Third Party Sites.

We may assign or reassign You to, or remove You from, one or more user classes, and we may re-define the rights and priveleges pertaining to the classes, at any time without notice or consultation with you. In providing features and services on the site, we reserve the right to single out or discriminate between users of the Site, including You, for our own reasons and purposes, which we are not obliged to disclose and which need not be reasonable, provided only that We will not engage in any illegal forms of discrimination. Your submission of content to the Site, or the voluntary provision by you of services to us, does not create any implied contract between You and BachelorPartyPortal.com that we will maintain the Site as it was when you submitted content or provided voluntary services, or oblige us to maintain you in a particular class or classes of users or to maintain the rights, priveleges, and Site features pertaining to those classes. Your submission of content or voluntary services does not limit our right to deny you future access at any time. Your recourse if you disapprove of any aspect of the Site is to cease using the site. Although we provide many mechanisms for You to provide Us input about the Site, we assume no obligation to act upon your input, and we don't guarantee a response, or even guarantee than anybody from our staff will read the input.
